*The Annual St Lucy's Dinner  
is a joyful event to raise funds to provide  
an optimum learning environment  
for children with special needs.*

St Lucy's has been blessed by many generous donors whose gifts have created a state of the art facility for developing the innate talents of children with disabilities.

The children who come to St Lucy's have increasingly challenging needs. To maximise the benefits they get from our new Creative Arts Centre we need to be able to provide intensive programmes of instruction in art, drama, construction, music and so on.

By coming to enjoy our Annual Dinner this year, you will support and activate the learning of all children at St Lucy's, particularly those with the highest needs.

The Board and Principal of St Lucy's School  
extend a warm invitation to

to slip on your most dazzling tie and tiara  
for the annual St Lucy's fundraising dinner.

Come along and celebrate the completion of our crowning achievement,  
The Creative Arts Centre.

Hosted by Simon Reeve from channel 7's Sunrise program,  
the night will be sparkling with great entertainment by Big Strum  
and catering from Sydney's premiere events team Doltone House.
