

# BIG THINGS, LITTLE THINGS

## HOLIDAY PROGRAM, SEPTEMBER 2017

Enrol your child in the Creative Arts Holiday Program this September!  
Workshops are designed and run by Professional Performance and Visual Artists  
in collaboration with St Lucy's staff.

Monday 25<sup>th</sup> September – Friday 29<sup>th</sup> September, 2017  
9.00am – 3.00pm each day here in the St Lucy's Creative Arts Centre.

### MONDAY 25<sup>th</sup> September: ART – Mixed Media

Marcela Ordonez will guide the students through art work large and small. She will explore the ways of filling large blank materials, before turning attention to the smaller details, which draws the viewer in to look more closely at art.

### TUESDAY 26<sup>th</sup> September: ART - Photography

Students take visual art into the digital realm, where they will explore the photographic image. Students will be taking their own photos and with Marcela Ordonez's guidance, will learn how to add digitally play with the photos they take, creating new art works.

### WEDNESDAY 27<sup>th</sup> September: THEATRE

Simon Freestone explores stories with larger than life characters, and the tiniest characters whose actions make a huge difference to the lives of those around them. Theatre skill practice of using big and small voices and movement, will help the students to create their stories.

### THURSDAY 28<sup>th</sup> September: DANCE

Dance is the ultimate exploration of movement! We look at how the body needs to move differently to create large or small Dance moves. We practice moving together as a large group, and taking turns in small groups, or individually. Dance Artist to be confirmed.

### FRIDAY 29<sup>th</sup> September: MUSIC and MOVEMENT

Big instruments making big sounds. Small instruments making tiny sounds. Big bands, small ensembles. How many different sounds can we create when we work together as a group, or play instruments on our own? A big day of musical fun! Maestro to be confirmed.
