FROM THE PRINCIPAL

Dear Parents,

Welcome:

Welcome to 2021. It was lovely to meet and greet the new students and families as they joined us on Monday especially for the start of Kindergarten and Year 7. Plus we have welcomed all our new staff last week.

Holiday Program:

It was great to see so many parents taking the opportunity to enlist their child or young person in this 2 week program and also wonderful to have the assistance of the Marian Street Youth Theatre staff. Thanks especially to Mrs Lynne Pinker and Mrs Ali Picone for leading the program again this year.

Staff Learning:

Last week before students returned we conducted staff training in First Aid and CPR as well as being trained in the Management of Actual and Potential Aggression (MAPA) so all staff new and continuing could have their accreditation in these important areas refreshed.

Therapy Model:

As a consequence of staff and parent surveys conducted in 2020 on our Therapy model we have instituted a new team called the BEST (Behaviour, Emotional, Social and Therapy) Team made up of psychologists, occupational therapist, speech pathologist and led by the Ms Alldis in her new role of Facilitator of Student Engagement. The aims of the group are:

- use the Response to Intervention model to help students best access and participate in the curriculum
- assist teachers and class staff to optimise learning environments and help students participate and engage
- strengthen social and emotional competencies and capacity
- build connections between home, school and external services

You will hear about the new model of delivery for Therapy and Positive Behaviour Support (PBS) in the coming months. We have moved from our previous Early Intervention model for

the delivery of Therapy Services and adopted a different research-based approach, RTI, which is based on a tiered model of support like the School currently has for Positive Behaviour Support (PBS). The BEST Team will work across all Years of schooling and use a needs-based approach. The aim of the new program is for access to Therapy to be more equitable across the school. We are also in the process of employing additional therapists.

Safety on the Roads and Carparks and Campus:

Please remember to drive safely in and around the school grounds. Especially in the parent kiss/drop in the underground car park obeying the speed signs that are clearly marked. Also be aware that cars and taxis are moving in the area of parent pedestrian pick up/drop off at the Cleveland Street side of the school and to keep a watchful eye and firm hand on your child at all times in this area.

Parent Information Night (PIN) 18 February:

This event will be managed differently this year as we are not allowed to gather as a whole parent body and remain socially distanced for drinks and food before breaking off to meet the class team. Consequently, on arrival parents will be guided directly to their respective classroom to meet the class team, understand the class routines, communication methods to be employed as well as the topics of work to be covered. Please note that satellite classes will meet in their classroom at Prouille and Narrabeen. Narrabeen will be meeting their teachers at Wahroonga.

Individual Education Plan (IEP) Meetings: Term 1, Week 6

We are planning a different approach to scheduling IEP meetings this year partly in response to Covid regulations but also so parents and specialist staff (particularly the BEST Team), can have more time together in a

collaborative meeting. This will better allow our therapists to be able to be present to add value to these important goal setting meeting for your son or daughter. Child minding will be available on the relevant IEP day as each one will be a student free day for the particular Stage or Class for whom IEP meetings are being held. An IEP letter will be sent to you in the coming weeks, confirming arrangements for meetings and asking you for your goals for your child/young person for the coming year.

Below are the IEP meeting days/pupil free day for each class:

WE NEED VOLUNTEERS FOR OUR SWIMMING PROGRAM

Dear Families,

Welcome to another exciting year in PE for 2021!

During the summer months of Terms 1 & 4 students from K-9 participate in Swimming Lessons during their scheduled PE lessons.

During these lessons we focus on building swimming and survival skills as well as water safety whilst having lots of fun!

This program heavily relies on the generosity of volunteers including parents, grandparents and family friends and other members of our school community.

WE NEED YOU!

If you or anyone you know could spare a few hours once a week for 8 weeks, please let me know as soon as possible. All you need is a Working With Children Check (volunteer) and the willingness to get wet and have fun!

If you are tentative to work with your own child's class, we would still love for you to volunteer with us with another class or age group. You can also help us by asking your parents, neighbours, babysitters, etc, if they would be interested in this fantastic school program!

The best way to help is to volunteer for your child's class and the other class in that session. Feel free also to stay the whole day!

Please let us know if you are interested by calling us at St Lucy's on (02) 9487 1277 (ext.: 3303) or via email at:

garye@stlucys.nsw.edu.au AND

juliam@stlucys.nsw.edu.au

Warm regards,

Gary Edwards & Julia Murphy
PDHPE Teacher at St Lucy's

We particularly need volunteers for the following days and times:

Thursday 11:30am (Sunstone)

Friday 9:00am (Garnet)- need several volunteers for this session

Friday 1:30am (Diamond)

SATELLITE NEWS

Mr Raphael visited Jade class on Tuesday during our Maths Lesson.

We had to work out who was the tallest in the class and who was the shortest. We then measured how tall we are using a tap measure and recorded our height on a chart.

RELIGIOUS EDUCATION AND PASTORAL CARE

*Blessed are you who take the time to listen, and understand me,
for you help me to know that if I persevere I can be understood.
Blessed are you who never bid me to "hurry up" or take my tasks
and do them for me,
for often I need time rather than help.
Blessed are you who stand beside me as I enter new and untried ventures,
for my challenges will be outweighed by the times I
surprise myself and you.
Blessed are you who ask for my help,
for my greatest need is to be needed.
Blessed are you who understand me even when
it is difficult for me to put my thoughts and knowledge into words.
Blessed are you who, with a smile, encourage me to try once more.
Blessed are you who recognise the gifts and talents I have within,
and nurture them so that others may see.
Blessed are you who take the time to teach me, learn with me, grow with me
and see my full potential.
Blessed are you who RESPECT ME and LOVE ME "JUST AS I AM",
for I am made in the image of God.*

We welcome you all back to a new school year! It has been so lovely seeing all the happy faces of our children as they return to school, or begin with us for the first time!

We also welcome back all our staff and those who are new and joining us this year!

We look forward to a year where all our school values are lived each and every day – Joy, Community, Courage and Truth!

Beginning School Year liturgy: Thank you to the staff of Pearl Class for preparing a beautiful liturgy for classes to hold within their rooms to mark the beginning of our school year on Friday morning! It was a lovely way for us all to gather in spirit as a whole school community and pray for the year ahead!

Farewell to Mrs Farah Hojjaty: Over the holidays, we received the news that Mrs Hojjaty had decided to resign. We were all very sad to hear this news as Mrs Hojjaty has been a wonderful colleague and educational practitioner at St Lucy's for the last number of years. She has introduced many wonderful initiatives during her

time, including a Play Skills focus for our students and supporting students in their transition to mainstream settings. As well, she has shown dedication, compassion and care to the students and families she has encountered throughout her time here. We send Mrs Hojjaty our every best blessing, and continued good health, as we wholeheartedly thank her for all she has done for so many years!

Wishing you peace and blessings!
