## FROM THE PRINCIPAL

### Athletics Carnival

Last Thursday and Friday we were blessed with fabulous weather for our Athletics carnivals where we all witnessed the joy and courage of our students and their parents and of course each other leading in the various events. Our corporate volunteers from Red Energy and Centuria were such a welcome addition with their enthusiasm in making the days a success. The Knox boys were also magnificent in assisting the cause. Please enjoy the photos from the carnivals on the following pages as you can see so many wonderful smiles.

### Loreto Day

Some of our Stage 3 students travelled to Loreto Normanhurst to be special guests at their Loreto Day School Fair on Friday 2 June. Our students were welcomed with smiles and so much care from the Year 11 Loreto girls. Students were taken around to order delicious treats, sing karaoke, dance in the disco and play indoor games like Ten-pin bowling. The Loreto girls made each of our students a gift bag with sensory toys, stickers and other specially selected items. We were so touched by their kindness. It is so wonderful to see the return of this tradition of our students attending Loreto Day post Covid. Thank you, Loreto Normanhurst, for such a joyful experience for all.

## Zoo Mural as part of Vivid

Lotus Class and six other St Lucy's students had an unforgettable experience of combining their love of art, culture and animals at Taronga Zoo last week. They collaborated with the amazing artist, Nathan Peckham and the staff at Taronga Zoo to help create an incredible mural which is now the opening artwork at the Vivid exhibition at the zoo. As well as walking through the newly constructed Australia section at the zoo, the students also got to see animals close up in the behind the scene zoo classrooms. Some of our students were lucky enough to attend the unveiling of the artwork and along with many other students from St Lucy's, there was excitement in returning to the zoo for the Vivid festival!

## Bingo Night

Last Friday night, the fun and engaging P&F Bingo night in aid of the Playground Pledge was held. Thanks to the P&F, it was another community highlight with parents and staff coming together and connecting again in a social school setting – so rare in recent years. Thanks to Jess and Auntie Kylie for leading the Bingo elements and the behind the scenes work of our Fundraising and Events team. Get ready for the 'Principal for a Morning', Edward Price, taking charge at a date to be fixed coming our way soon.

We would also like to extend our gratitude to our generous sponsors:

BSG and Kylie Moober, who brought their Bingo expertise and served as Bingo master, ensuring an entertaining and seamless evening. Additionally, we want to acknowledge the invaluable support from the following people and companies for their donations of time, prizes, and gifts, which added extra excitement to the event. Your contributions have made a significant impact on our school, and we are immensely grateful for your generosity:

- Centuria, Coles, Red Energy, and Jim's Cellars
- Anthony Jones, Past student, St Lucy's School
- Chris Simpson and What Ability
- Chris Worthington and Frank Moschella
- Jess Connors
- Karabi Seniors Knitting and Crochet Club
- Karyn Simpson
- Our talented St Lucy's student artists

The night raised over \$6,000 to benefit our students during playtime. This has helped to kick along our Playground Pledge total reaching over \$110,000! Some photos of this great event are on the following page.

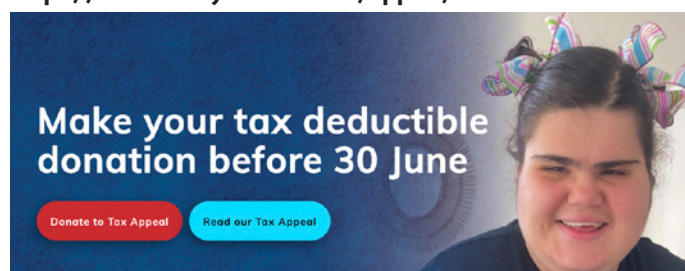

## Centuria Trivia Night

Our wonderful corporate supporters Centuria Capital hosted their annual Trivia Night on Thursday evening to raise money for St Lucy's School to benefit our Family Support and Psychology Programs. Centuria have hosted these trivia nights for many years and have supported us so generously. We are most grateful for their kindness and support. Our representative and speaker for the evening Shanan Hall, mother of Maggie spoke earnestly of how Maggie and her peers benefit from Centuria's generosity.

Maggie and her classmates are featured in our tax-time appeal to raise necessary funds to support our Veritas Centre refurbishment, providing classroom facilities for our Life skills program. If you would like to read about our tax-appeal and forward on the link to your work colleagues and corporate network for donations at tax-time, please click here:

# THE SACRAMENT OF CONFIRMATION - THURSDAY 8 JUNE

## Confirmation Ritual

Seven of our wonderful young people experienced the sacred and beautiful ritual of initiation, which is Confirmation. Catholics believe that the ritual instils a person with the gifts of the Holy Spirit. This gift of the Spirit completes baptism and bestows a special strength that enables one to advocate for justice, truth, and fairness.

It was just such a gift to see the candidates experience the anointing ritual and we really appreciate the support of our wonderful parish, Holy Name, and especially thank Fr Kelvin Lovegrove and Fr Sam French for attending and concelebrating with Bishop Anthony Randazzo, who was delighted to be able to be here to confer this special sacrament.

# RELIGIOUS EDUCATION AND PASTORAL CARE

## National Reconciliation Week 27 May - 3 June.

During their respective school assemblies, all students in our community participated in a Reconciliation Liturgy, which was prepared by Orchid class. We engaged in other educational activities, such as:

- Learning about significant events in reconciliation.
- Exploration of indigenous histories & culture.
- Preparations for NAIDOC Week.

A reminder that you might want to explore Fr. Frank Brennan SJ's, book and resources on *An Indigenous Voice to Parliament: Considering a Constitutional Bridge*. Here is a link to Fr Brennan's [Virtual Book Launch](#).

The book outlines both the 'Yes' and 'No' cases so that voters can make up their own minds before voting in the upcoming referendum. A link to Fr. Frank's article, [How to Vote on The Voice](#) was also provided.

We explained to staff and parents that our Dominican tradition necessitates a visible and genuine commitment to Reconciliation, as our values mean that we are called to make an extra effort to express regret for injustices of the past, to focus on reconciliation, to hear about the culture and history of Australia's Indigenous people, and to explore new and better ways of meeting challenges in our communities.

## Looking ahead - Siblings Day - Wednesday 21st June

We would like to celebrate the siblings of our wonderful students and extend an invitation to siblings – who are currently of school age or above – to attend an open classroom, liturgy, and morning tea at 9.30 am on - Wednesday 21st June.

Siblings must register using the link below and will be required to wear a mask whilst onsite and scan our QR code on arrival.

Siblings Day Booking Link :

<https://www.trybooking.com/CIZEA>

The event will end at 10.45am

Parents/carers have been asked to email photos of siblings to class teams, as these images will be incorporated in individual class liturgies.

# ATHLETICS CARNIVALS

Last week we had our Junior and Senior Athletic Carnival days. It was great to see so many parents to support and participate. The students certainly had lots of fun and loved the interaction with you. Knox students also helped on the day which was brilliant as well as corporate volunteers from Red Energy (Thursday) and Centuria (Friday). Thank you also to all the staff that helped on the events as well as the teaching teams. I believe that no muscles were pulled or injured on the day!

Thanks again on behalf of the PDHPE teachers at St Lucy's (Gary, Edwina and Julia). Enjoy the photos from both days.

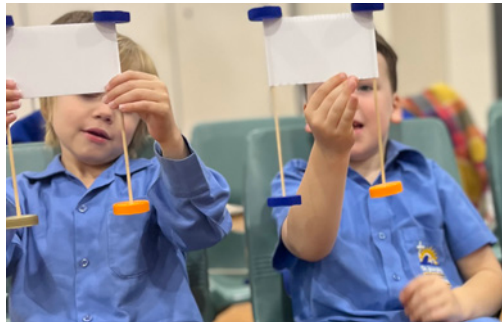

# ATHLETICS CARNIVALS

## SCIENCE INCURSION

On Tuesday our Kindergarten students from Cosmos, Camelia and Sunflower attended a Science Incursion for our science unit... how do we make objects move? Push or pull? We had a lesson on how to build a car with recycled garbage.. then the fun began.

# HIGH SCHOOL HIGHLIGHTS

This term, Zinnia class have been learning about chemical reactions. On Tuesday, the students conducted an experiment to investigate what happens when bicarb soda is mixed with vinegar. Their hypothesis was proven when the balloons were inflated by the gas produced as a result of the chemical reaction!

During our Integrated Unit, "Me and Others", the students have developed an understanding of relationships for wellbeing and how to maintain these. They looked at types of relationships and how they should interact with those within these relationships. The class looked at different opportunities for social connection outside of school and helped organise the get together at the Blue Gum Hotel with their friends. Before the excursion the students calculated how much money they needed on their debit cards to pay for their lunch, they worked out the train times and how much time we would get to spend at the hotel before they needed to head back to school. Thanks to the parents that joined us for the train ride and lunch.

# FAMILY SUPPORT

## The school holidays are just around the corner .....

Disclaimer: While we are aware of and are happy to let you know about support services, we are not endorsing these services and cannot promise you that the services are suitable for your child or family's needs. It is up to you to make your own enquiries and decide whether a service is suitable for your child and your family.

### Hidden Disabilities Sunflower

Living with a Hidden Disability, like autism, can make accessing the community more challenging for people. Hidden Disabilities can be difficult for others to recognise, which is often the biggest barrier for people accessing additional support and understanding.

People who have a hidden disability can choose to wear a Sunflower lanyard, which discreetly indicates to staff and others that they may need additional time, support or understanding. This provides a consistent icon that is recognisable between locations, including travelling through the airport, on public transport, attending sport, or going to the museum.

Hidden Disabilities is an international approach that is coordinated in Australia by Bayley House. To find out more about Sunflower initiative visit:
