

FROM THE PRINCIPAL

Catherine Centre Building Update:

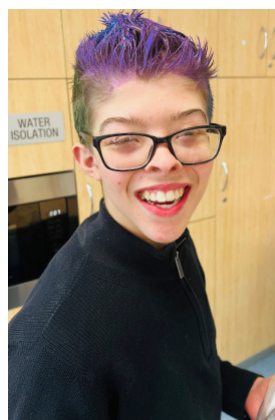

The program for the construction has so far been blessed with great weather for building. Last weekend the first large concrete pour took place as you will see from the pictures of the site. For your information here are some statistics so far in this construction phase.

- 450m³ of concrete has been poured to date, enough to fill 8 x backyard swimming pools
- 55 tonnes of reinforcing steel, equivalent to the weight of 7 x 25 seat minibuses
- 2,985 labour hours spent on site

So far, the students have been very curious about what is going on behind the hoarding and enjoying viewing the site through the windows to the site. Long may that continue!

Book Week Parade:

The children and staff in Primary got into the spirit of Book Week again this year and the Secondary with crazy hair. Lots of parents came to see the parade and it was great they enjoyed it so much as well as your children showing off their costumes. Prizes for best costumes went to: Heidi Foxall, Andrea Manaday, Tyler Miller and Will Statis, as well as awards for best crazy hair in high school: Jai Watson, Pedro Boyle and Xavier McKie.

Father's Day and Class Visits:

Many dads were on site at Wahroonga on Wednesday for our Father's Day liturgy and classroom activities. Biscuit decorating and class made cards and gifts, including photo frames, were the order of the day. It was so delightful for us as staff to see the evident joy of the children and young adults in hosting their dad or grandad in class. The close bond between the child and their dad was a joy to behold which you will see on page 4 where we have some lovely photos of the morning.

P&F Father's Day Stall: Thanks to the willing workers at the Father's Day Stall organised by the P&F President Dani FitzGibbon. Dads we all hope you enjoy your special gift and Sunday when you are scheduled to be spoiled and further appreciated.

St Lucy's Meets Diocese and CSBB:

Last Friday St Lucy's met representatives of the Bishop and the Catholic Schools office of Broken Bay to discuss the recent news that our leases were ending at Prouille, Narrabeen and Narrabeena.

It was a helpful discussion and soon further news will be available through a joint statement outlining the agreed arrangements.

Driving around our school:

A reminder to all parents to drive safely around our school:

- Please observe the speed limit of 40kms per hour
- Please do not park across our neighbourhood driveways
- Please do not do three point turns on Cleveland Street or Billyard Avenue
- Please do not double park as you await entry into our school car park

Following the above rules of the road is appreciated for the safety of all.

Principal for the Day – Edward Price Orchid Class:

Edward's parents won the bidding for Principal for the Day at the Term 2 P & F Bingo Night. Today Edward assumed the mantle of being the Principal and he had a busy morning which included: leading Primary assembly; morning tea; desk work including letter writing and signing; visiting the satellite class at Prouille and meeting the Principal; setting a rule for the day; thanking the team at the Father's Day stall; supervising the play ground at morning tea; visiting the building site to inspect the progress along with lots of photo opportunities.

WALKING FOR ST LUCY'S SCHOOL

www.givenow.com.au/cr/caminowalkstlucy

Support Bob and Moira while they walk the Camino Trail to raise funds for St Lucy's School playground.

In 2017 Moira and Bob Starkey walked the 804km Camino from France to Spain to raise funds for St Lucy's School where Oliver their grandson attends. During their last walk, they raised over \$16,000.

This time Moira and Bob are walking 308km for Oliver as another part of the Camino and the target is to raise \$20,000 to go towards a purpose-built playground. If you wish to support them on their journey please donate by visiting <https://www.givenow.com.au/cr/caminowalkstlucy> or by scanning the QR code on this flyer.

Please follow them on their Facebook page '[CaminoStarkey](#)' for daily updates where they will be joined by their mascot Lucy Bear!

Grandparents trek 804km to aid Oliver's learning

Caryn Metcalfe

GRANDPARENTS Moira and Bob Starkey set off on a walk on July 8 to raise \$20,000 for St Lucy's School, Wahroonga.

The couple, who admit they are no spring chickens, started their 804km Camino de Santiago walk from St Jean Pied de Port, with plans to complete the fundraising journey within 42 days. The Manly pair have been posting about their journey on Facebook, encouraging people to donate to their cause, which will help their grandson Oliver Whitaker, of Wahroonga, and his schoolmates.

Time:	6.00pm – 8.00pm
Book via:	https://www.trybooking.com/CKUOR
RSVP:	by Friday 8th September 2023
Venue:	Online (Zoom link to follow via email)

The transition from childhood to adulthood can be a difficult time for parents and carers of children with intellectual disability. Parents and carers are often concerned about how to prepare the child for puberty. There may be anxiety about how to minimise the child's vulnerability as they develop new relationships with their peers.

To assist parents and carers through this challenging time, Family Planning NSW delivers information sessions on supporting children and young adults with disability in the areas of sexuality and relationships. The two hour session includes information on:

- Preparing for puberty changes
- Decision making and safety
- Private and public
- Sexuality and disability
- Useful resources
- Tips for talking about sex and answering tricky questions

The sessions also provide an opportunity for parents to ask questions and discuss their concerns in a supportive environment with experienced health education professionals.

Guardianship and Estate Planning for people with a disability

Wednesday 6 September 6.00-7.30pm

Lawyers from Coleman Greig, will be running a general information session for our families who want to learn more about the definition of Guardianship and NCAT financial management. They will also discuss Special Disability Trusts and their uses and alternatives.

This is an online event only

Time: 6.00pm-7.30pm

To attend, please book via trybooking:

<https://www.trybooking.com/CKCCQ>

RSVP BY: 4th September • Cost of \$20 per person

You will be emailed the teams link closer to the time of the event.

FAMILY SUPPORT

On Tuesday 5th of September, Autism Awareness Australia are hosting a breakfast, panel discussion and screening of our DAD documentary at the Museum of Contemporary Art, Sydney. Their documentary follows twelve dads of varying ages, stages and backgrounds sharing their experiences and advice around parenting children with autism and other disabilities.

This event is an opportunity for parents and carers to gain advice and connect with one another around what can sometimes be a very isolating and challenging experience. All details for the event can be found below:

DAD Film Breakfast Event

Join us at our DAD Film Breakfast!

We're thrilled to invite you to the DAD Film Breakfast Event, a special morning to celebrate dads and carers as part of Father's Day. This event will take place on Tuesday, 5th September 2023 at the Museum of Contemporary Art in Sydney.

The morning will kick off with a delicious breakfast, followed by a screening of our short documentary 'DAD'. This touching documentary shares the stories of 12 dads from diverse backgrounds, each navigating the unique journey of autism and parenting. You'll hear their experiences, their triumphs, and their challenges, offering a raw and honest look into their lives.

Following the film, we'll dive deeper into these experiences with a panel discussion hosted by **Ian Rogerson**, who also features in the film. The panel will include some incredible dads and carers, such as Tommy Trout, Dale Hurley and Ryan Gomes. They'll share their personal stories, advice, and insights on supporting their autistic loved ones.

This event, sponsored by NDIS personal trainers **WeFlex**, is more than just a film screening. It's a great opportunity to connect with other dads and carers, to share stories, and to gain helpful advice. It's a chance to be part of a community that understands and supports each other.

So, whether you're a dad, a carer or someone who wants to understand more about the journey of parenting an autistic child, we'd love for you to join us. For more information and to purchase your tickets, please tap on the button below.

We look forward to welcoming you to this special event and celebrating the wonderful dads and carers in our community.

Post - school

AS YOUR YOUNG PERSON APPROACHES 18, YOU WILL BEGIN TO PLAN A TRANSITION TO POST-SCHOOL LIFE AND WHAT THIS LOOKS LIKE. START THINKING ABOUT THEIR SKILLS, STRENGTHS AND INTERESTS. WHAT THEY CAN DO WILL CHANGE OVER TIME AND CAN BE A COMBINATION OF OPTIONS.

NDIS

You may need to think through what support will be needed once they finish school. Obtain reports from their therapist for evidence of support required and talk to your Support Coordinator. If your young person wants your assistance, you need to fill out a nominee form before they turn 18 so that you can continue to act on their behalf.

THERE ARE TWO TYPES OF NDIS NOMINEES:

- A correspondence nominee
- A Plan nominee

Contact your LAC or Support Coordinator to determine which is best suited to your young person's needs.

PREPARE YOUR CHILD **NOW** FOR THEIR POST-SCHOOL OPTIONS

Children must start learning
Independent Community Skills
from Year 7 so that by Year 12 they can:

- Walk into shops by themselves to purchase items
- Cross roads safely
- Be stranger aware
- Take public transport confidently

All of these students had never been into a shop by themselves. With individual training they were taught how to choose items, cope with other people in noisy environments, queue up appropriately, and purchase goods using cash and card. Road crossing followed. Each student could then cross roads to access shops. Some students continued on to learn bus, train and metro travel. Stranger awareness skills were also introduced. Importantly, these were also tested in real life situations where

they were approached by a 'stranger' on the bus, metro or train platform.

Students that learnt these essential skills from Year 7 in 1:1 training sessions easily transitioned from school to work, study and leisure activities.

They developed self-confidence, resilience and the knowledge to travel safely and independently.
